FOREWORD

On 23 July 1985, Ellen T. Young, Probate Judge of Washington County, Georgia, gave her permission to the Central Georgia Genealogical Society, Inc., to have access to the microfilm copies of the 1890 Federal Census, taken from the original three books that are on record in her office.

Archaeologists have unearthed clay tablets that indicate the ancient Babylon begin head counts about 3800 B.C. in Mesopotamia. By 2300 B.C. the practice had spread to all regions and to Egypt. The Chinese begin a census about 3000 B.C. Exodus 30:11-14 describes the first Jewish census, which is generally dated at 1491 B.C. William the Conqueror ordered his agents in 1086 A.D. to begin a sampling technique on one man in each hundred which led to the famed Domesday Book. Virginia was the first English colony to take a census in 1624.

In 1787 the Constitutional Convention met in Philadelphia and provided in Article 1, Section 2 of the Constitution that a census be taken in 3 years after the first meeting of the Congress of the United States, and within every subsequent term of ten years. The 1790 through 1870 censuses were taken by Federal Marshals. Beginning in 1840 the Federal Marshals and their assistants were instructed that all information taken in performance of their duties would be kept strictly confidential and in 1850 the posting of census forms in public places was discontinued. By 1880 trained supervisors and enumerators replaced the Federal Marshals and there were new laws with fines up to $500 to safeguard the privacy of census information. At that time another safeguard was instituted which forbid the old practice of retaining copies of the original census schedules in the local area. Only name, age, sex and race were filled locally.

The 1890 census ask 470 questions, many of which were drafted by Congress. However it carried out the safeguard of only name, age, sex and race could be filled locally. Thus that is the extent of information found in Ordinary Court records of Washington County. One other thing found in the 1890 census was the definition of race. White persons were recorded with a W. Negro persons were recorded as B for Black, or written out as Mulatto, Quadroon, or Octoroon for mixed blood and this definition carried over into the copies of the 1890 census filled locally.

Present privacy act laws provide that copies of the census can be released after a period of 72 years. Thus the 1890 census was due for release in 1962. However the 1890 census was destroyed by fire in 1921. A few burnt and partial copies were saved from the fire but Congress ordered these destroyed. Thus we are most fortunate that the Ordinary Court of Washington County ordered and received this brief list of persons enumerated in 1890 before the original copies burned in Washington. One question remains. Our index to this census contains some 19,400 names in 14 Georgia Militia Districts. Was this all of Washington County in 1890? Mrs. Elizabeth Pritchard Newsom, in her book "Washington County, Georgia Estate Papers 1829-1903", states the population of Washington County in 1890 census was 25,237. We re-checked the original books in the Probate Office and what we are publishing here is all that they have available.

CENTRAL GEORGIA GENEALOGICAL SOCIETY, INC.
POST OFFICE BOX 2024
WARNER ROBINS, GEORGIA 31099-2024

Non-Profit
Tax Exempt
Org. GA

ORGANIZATION: The CENTRAL GEORGIA GENEALOGICAL SOCIETY, Inc. was organized in October 1978 by James T. Martin of Warner Robins, Georgia. In February 1981 the Society was incorporated as a non-profit organization under the law of the State of Georgia. The U.S. Internal Revenue Service has determined that the society is a tax-exemption organization under Section 501(c)(3), U.S. Internal Revenue Code of 1954. The Society is governed by a Board of Directors consisting of the elected and appointed officers and six elected Directors.

AREA: The Society's geographical area of primary interest consists of twenty-seven contiguous counties located in central Georgia. They are: BALDWIN, BIBB, BLECKLEY, CRAWFORD, CRISP, DODGE, DOOLY, HOUSTON, JOHNSON, JONES, LAMAR, LAURENS, MACON, MONROE, MONTGOMERY, PEACH, PIKE, PULASKI, TAYLOR, TELFAIR, TREUTLEN, TWIGGS, UPSON, WASHINGTON, WHEELER, WILCOX and WILKINSON.

PURPOSE: The purposes for which the corporation is organized are:

To collect, preserve and disseminate knowledge and information with reference to genealogical and related historical, biographical and heraldic data;

To inculcate and promote interest in research in these fields;

To stimulate and provide instruction in the use of efficient methods and the adherence to principles of accuracy and thoroughness in research;

To champion ethical standards and to discourage and oppose incompetent and disreputable practices or researchers;

To foster careful documentation and otherwise promote scholarly writing;

To issue publications, and

To promote the collection and the preservation of local records which are of genealogical or historical value.

MEMBERSHIP: Membership in the Society is open to any person interested in promoting the objectives stated above. Annual dues for 1994 are: $20.00 for individual membership; $25.00 for family membership (husband and wife, or two related persons in same household).

TRAINING: At least twice each year the Society conducts classes for beginner genealogists. These classes are free for members in good standing.

WORKSHOP: The Society plans to hold an all day workshop once each year, complete with exhibits, for members and the public. The registration fee will be set to cover the Society's cost and may vary from year to year, depending upon prices charged for food, meeting facilities, speaker fees, etc.

PROJECTS: The Society undertakes special projects for preservation of genealogical and historical information, such as: microfilming old newspapers, abstracting and publishing county court records, federal census records, cemetery records, etc.

PUBLICATIONS: The Society publishes a monthly NEWSLETTER and a QUARTERLY. The QUARTERLY is published four times per year as number 1 thru 4 and is mailed to all members in good standing. The annual volume number represents the years in existence. Many other societies, who are members, receive our QUARTERLY. QUERIES, from members only, are published in the QUARTERLY free of charge. There is no limit as to the number of queries which a member may submit. BOOK REVIEWS are published when a copy of the book has been received by the Society. After review these books are donated to the Genealogical and Historical Room, Washington Memorial

Library, Macon, GA., whose holdings are one of the largest in the southeast. Members are encourage to submit ARTICLES FOR PUBLICATION in the QUARTERLY, and extra long articles may be serialized. The QUARTERLY is not copyrighted and anyone is welcome to make proper use of the contents; however, the use of articles quoted from other published sources is prohibited without permission from the copyright holder. Appropriate credit will be appreciated. The QUARTERLY is not sold by subscription. Current and back issues may be purchased from the Society when available. The Society welcomes the opportunity to publish FAMILY PEDIGREE CHARTS for members. Mimimum coverage of four generations is required. Our computer designed charts provided for as much information on the fifth generation as the second, third and fourth - most charts provide much less. Give us as much complete information as possible on available forms and separate paper.

MEETINGS: The Society holds regular monthly meetings with planned programs. These meetings are currently held at the Flint Electric Building, 1600 Elberta Road, Warner Robins, Georgia at 7pm on the third Thursday of each month. In addition to the program, time permitting, a question and answer session is usually conducted for the benefit of members who have a problem with their research, or who has found a better way for accomplishing their work. Visitors and guest are always welcome to attend regular meetings of the Society. Our current membership covers many states and we invite you to join our Society. For a membership application write to the Corresponding Secretary at address shown in the heading above or call (912) 953-3114.
